THIS LITTLE PIGGY. . .

The next time you put your feet up, try resting your piggies on a pig-shape footstool, courtesy of designer **Dimitri Omersa**. These leather cuties from Lincolnshire, England, are 26 inches high and 11 inches wide - just right for lounging. If pigs aren't your thing, North River Outfitter also carries leather footstools in the shape of dachshunds, hippos, Labradors, and rhinoceros. The Boston and Norwell stores also carry men's and women's clothing, jewelry, and accessories.

Stools \$795. North River Outfitter (120 Charles St., Boston. 617-742-0089; 495 Washington St., Norwell. 781-659-5888). northriveroutfitter.com
